Song Suggestions

Music selected for competition must be either sacred or patriotic. For the purposes of this competition, sacred music is defined as songs dedicated to God as the object of our worship. The lyrics must reflect this and therefore contain an actual name of God. You may perform any sacred piece you wish but for help in choosing a piece or finding an arrangement of contest quality, refer to the Contest Piece Suggestions on the back of this page.

The following is a list of piano arrangers to help you in finding a piece:

Cindy Berry
Fred Bock
Anthony Burger
Ellen Banks Elwell
Marilyn Ham
Mark Hayes
Roger House
John Kraus
Martha Mier
Don Wyrzten

Instrumental pieces are a little more difficult to find. Bob Jones University has an online catalog that has some music publications available: bjupress.com (click the music tab).

Another possibility is to check out sheetmusicplus.com. Often they give examples of the music so you can check on the difficulty level before ordering .
